NEERAJ

FULL STACK WEB DEVELOPER | APP DEVELOPER

neerajsky704@gmail.com | 9650521546 | Github | LinkedIn | Portfolio

SUMMARY

Full-stack & mobile app developer focused on building production-ready applications across web and mobile. Experienced in React Native, Expo, Flutter (MVVM, GetX) and Next.js App Router, with strong ownership of app architecture, state management, and authentication flows. Shipped real products spanning fintech, AI tools, e-commerce, Web3 wallets, and healthcare platforms, backed by PostgreSQL, Prisma, and REST APIs. Strong UI/UX sense with hands-on product design and a proven ability to take ideas from prototype to deployment.

SKILLS

Mobile & Frontend:	React Native, Expo, Flutter, Next.js, React
Languages:	TypeScript, JavaScript, Dart, Python, C, C++
State & Architecture:	Zustand, TanStack Query, GetX, MVVM, Provider
UI & Styling:	Tailwind CSS, NativeWind
Backend & Auth:	Node.js, Express, REST APIs, PostgreSQL, JWT
Dev & Deploy:	Firebase, Vercel, Git, CI/CD
